COMMUNITY SERVICE

2011-Present – Working with the Chestnut Hill neighborhood revitalization initiative.

2010-Present – Working with the Over-The Rhine “People’s Movement” to understand how mixed-income, neighborhood revitalization strategies can benefit low-income populations.

2010-Present – Working with members of the Chestnut Hill/Trimble Bottoms neighborhood on their redevelopment plan.

2010-Present – Working with the Resident’s Association at John Henry Hale Public Housing to develop community organizing strategies, and working on their urban farm (Farm in the City).

2007-2008 Edgehill Project – Neighborhood project with the law clinic (Laurie Hauber) to have students in both graduate and undergraduate courses to interview residents, business owners, and neighborhood leaders to assist in developing a neighborhood-based vision for revitalizing the Edgehill neighborhood (on-going this semester with Vera Chatman and Doug Perkins). We are partnering with Organized Neighbors of Edgehill.

2007-2010 Nashville HOPE VI Project – A project to access the outcomes of Nashville’s four HOPE VI projects with a focus on what it will take to keep these major investments sustainable. I am partnering with the Nashville Metropolitan Development and Housing Agency.
